FOREWORD

In the publication of this Annual the Senior Class has endeavored to present, in as interesting way as possible, those incidents which have made this mile stone worth while.

We sincerely hope that through these efforts the reader may be able to grasp, more clearly, those events which constitute our high school life; and to impress upon you the necessity of co-operation among students, teachers, and patrons.

DEDICATION

We dedicate this Annual to those who have made it possible through their untiring efforts for us to enjoy the benefits of a modern high school; to those who have indirectly been responsible for our advancement—The Young Men's Business Association.

Senior Class History

In September, 1921, fifty of us entered B. H. S., determined to accomplish much. We clung together and plunged into school life. We elected the following officers:

President	Laurence Blaker
Vice President	Lavon Mavis
Secretary and Treasurer	Lillian Hiatt

"Pep and Grit Win," was our motto; purple and gold, our colors; and the Violet our flower.

During the year we enjoyed a weiner roast at Showalter's wood and in vacation a picnic at Enfield's Park.

The next September we numbered twelve less. We elected our officers:

President	Lavon Mavis
Vice President	Helen Staley
Secretary	Dorothy Clark
Treasurer	Frederick Gengnagel

Miss Leigh was chosen as our class teacher. During the year we had a pot luck supper at the school house and a weiner roast at Gypsy Hill.

The class broke up in May to meet again in September to find a few more had dropped out. We elected our officers.

President	Lavon Mavis
Vice President	Howard Funk
Secretary	Laurence Blaker
Treasurer	Helen Staley

Our president left us and Howard came to the rescue. This year we published the Fortnight and accomplished much in school. At Christmas we were transferred to the new building.

In September we met and combined our efforts in publishing the annual and presenting our Senior play. We were entertained by Janet Graham at the first of the year and later enjoyed a bob-sled ride. We have tried especially this year to leave Butler High with more knowledge than when we entered. Our present officers are:

President	Howard Funk
Vice President	Laurence Blaker
Secretary	Elizabeth Bryan
Treasurer	Lewis Telschow

Junior Class History

In the fall of 1922, forty-nine boys and girls started their high school career, as Freshmen. At first we were all timid, but we soon recovered from this backward feeling. We fell in line and began our tasks.

In a short time we held a meeting and organized, as was the custom. National blue and steel gray were chosen as our colors, American Beauty rose as class flower, and "Not At The Top But Climbing," our motto; Mr. Fleenor our teacher.

When we came back in the fall we had lost some members, but had gained others, making a total of fifty-one. Miss Travis was chosen as class teacher.

When we came back as Juniors several had left us, this making our class smaller. Mr. Fleenor was chosen as class sponsor. After one more year's work we will be ready to leave B. H. S. and go out into the world.

Sophomore Class History

In the fall of the year 1923, fifty-two Freshmen entered B. H. S. just as "green" as expected. However, they started the year right with the help of Miss McBrien the class teacher. They enjoyed a few parties during the year and closed the term with some of their bashfulness taken away.

The following year thirty-six of the members came back to school determined to succeed. They started to save money for the publishing of the Fortnight for their Junior year—thanks to the help of Miss Dickinson, their class sponsor. After nine months of hard work mixed with a few parties, they closed a successful school year.

Freshman Class History

On September 1, 1924 the class of '28 made its entrance into Butler High, fifty-seven strong, and at once became known as "Jeffers' 57 varieties." We were all timid and felt out of place, but our upper classmen finally took pity on us and gave us a small amount of their attention. A few weeks later we met and organized; also chose our class sponsor, Miss Perkins. We are waiting anxiously for the time when we will be called "Freshies" no longer.

Athletics

RAY FLEENOR

Athletic Coach

What do the words "Athletics" and "Physical Education" mean in connection with High School life? The answer to this question largely depends upon one factor and that factor is the Director of athletics and physical education. To the extent that the director is a man of high principles and strong personality, who sees his work as a truly educational enterprise, his work will give tone and color to the whole of high school life. In Coach Fleenor we have had such a man

In his three years of coaching at Butler, Coach Fleenor has sought to develop the moral and ethical side of athletics. "Just to win" has never been his motto. For this, probably more than anything else, we shall longest remember him. When we think of how rigidly Coach Fleenor held to this standard and how hard he fought the games along with us, we see in the thoughts of the poet a clearer statement of his athletic creed:

And when the One Great Scorer comes
To write against your name,
He writes not that you won or lost,
But HOW you played the game.

BASKETBALL

Resume of Basketball Season

In the early fall Coach Fleenor had succeeded in securing games with such schools as Auburn, Kendallville, LaGrange, Fremont and Waterloo—games which promised to be very interesting to the basketball fans and the beginning of the season found him in charge of a squad of about twenty-five from which he could pick his men, including Rank, Blaker, Telschow and Wideman, from last year's squad. The sifting out processs started with the interclass games which were won by the Seniors. The regulars were given good competition by Hiatt, Newcombe, Hemenway and Oberlin.

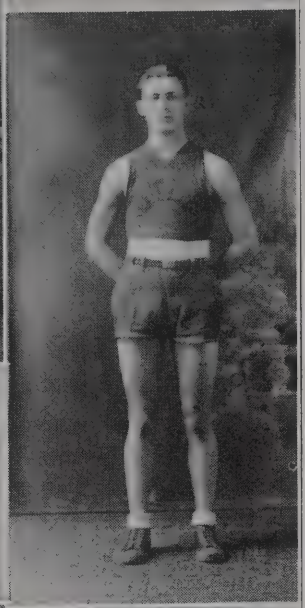
At the end of the season the team went to the finals in the district tourney, which was the first time for a Butler team. The team had won sixteen out of twenty-four games piling up a score of eight hundred and forty-two points to their opponents four hundred and fifty-nine. The highest score being when Ashley fell 102-9. They also held a 27-15 win over Fremont, winner of the Angola district.

This year the squad loses by graduation four of its members, Blaker, Telschow, Wideman and Hemenway, the first three being the leading scorers. But with these exceptions next year's team will carry the same names and backed by the same spirit of co-operation manifested by the students this year, next year should be a great year for the basketeers of B. H. S.

WALTER RANK

Captain and Forward, Junior

"Walt," the vest pocket edition of—well, anything that is a real basketball player and gentleman. "Walt" held down the forward position for the third year and has the honor of having played in sixty-four consecutive games. He comes third in the number of points scored. Last year Walter won the Butler Medal for displaying the best sportsmanship. "Walt" was great on under-the-basket shots but he has a weakness—a sophomore of the blond variety.



LEWIS TELSCHOW

Center. Senior.

"Hawk," the player with an eagle eye, held down the center position for the third consecutive year and again led the squad in scoring with three hundred and nineteen points. He was the tallest man on the team and was able to get the tip-off on most of the opponents. This year "Lewie" lays aside the "Green and Gold," but we hope that our loss will be his gain. So long, "Hawk," we can't say good-bye. Lewis has changed but still strays over in the south part of town.

DRAYTON LOOMIS

Center. Freshman.

"Ick," a star with the Junior High team last year, graduated to the varsity squad this year and played at center. He was a good trainer, hard fighter and with the experience gained this year should be a very valuable man for next year. As far as is known "Ick" has not lost his heart but may be expected to at any time.

PAUL OBERLIN

Forward. Freshman.

"Ob" led the Junior team in scoring last year and kept up his good work this year as a member of the varsity sharpshooters. His rapid development this year should gain him a regular berth next year. Paul led the scoring against Ashley in the semi-finals of the district tourney. "Ob" admits that he can't turn corners when driving with one hand.

LEHR HEMENWAY

Guard. Senior.

"Hemy," although a senior, was trying his hand at the court game for the first time and by his grit and perseverance won a place on the squad. He never missed a practice and when sent in at guard always delivered the goods. He played his best games in the district tourney. Lehr was the only member of the squad that showed no inclination to stroll forth on Sunday nights.

WADE NEWCOMBE
Guard. Junior

"Preach" was new at the court game but his rapid development earned him a place on the varsity. He was the best dribbler on the squad and often used this method of carrying the ball down the floor. Wade was a clean, hard fighter and is captain elect for next year. "Preach" as yet has not fallen a victim to the winning smiles sent his way.

EARNEST HIATT
Guard. Sophomore

"Unk" was almost the midget of the team, but he more than made up for it by speed and aggressiveness. He made life miserable for the opposing forwards and seldom did they get by for close shots. "Unk" has two more years to fight for the "Green and Gold." Earnest as yet is not a victim of Cupid's darts.

ALBERT WIDEMAN
Guard. Senior

"Al," a gentleman, the old reliable veteran of three years, and winner of the Butler Medal this year, was one of the mainstays of the team. He played a great game at guard but came down the floor for a hundred and thirty points in addition to holding the opposing forwards safe. Albert is a Senior and leaves us this year. "Al," we hate to say good-bye. It is said that a certain Senior girl has Albert's heart within her keeping.

LAURENCE BLAKER
Forward. Senior.

"Larry," one of the cleanest, hardest fighters that ever wore the "Green and Gold," came into his own this season and was second in the number of points scored, with one hundred and seventy. For three years "Blake" has been a good sport, conscientious trainer, and when the Great Scorer comes to write against his name he will say that "Larry" always played the game. Laurence has overcome his one great shortcoming and now never forgets—to go see her.

The Butler Medal

The Butler Medal, awarded for the second time at the close of the basketball season, 1925, comes to Butler High School through the efforts of Mr. Fleenor, athletic coach. Mr. Fleenor, who has always been a booster for fair play and good sportsmanship originated the idea of giving a medal to encourage good sportsmanship in the class room, and on the street, as well as on the basketball court. The award is to be made annually by a committee consisting of the following persons:

Director of Athletics - - - - - - -	5 votes
Each letter man for the year - - - -	1 vote
Each High School teacher - - - - -	1 vote
Editor of Fortnight - - - - - - - - -	1 vote
Referee - - - - - - - - - - - -	1 vote

The points to be considered are the individual's attitude towards opponents, teammates, coach, officials, training rules, teachers, school work, school mates and fellow man.

At a meeting of the committee held the first of March, 1924, the trophy was awarded to Walter Rank, who was a Sophomore and captain-elect for the 1924-25 season. He had played in forty-one consecutive games, and was second in the number of points scored with eighty-one to his credit.

At a meeting of the committee held the first of March, 1925, the trophy was awarded to Albert Wideman, star guard and member of the Senior class. He has played three years on the varsity, at guard, and this year was fourth in number of points scored with one hundred and thirty to his credit.

There is one player on our basketball team whose picture does not appear in this annual because he did not finish the season. Although we do not believe any player should ever quit the team, this person must be given credit for his fighting spirit while he was playing for Butler Hi.

ELIZABETH BRYAN, CAPTAIN

(Lizzie) 2-3-4 (Center)

Lizzie is our smiling captain. With one hand she gives the signal, and with the other gets the tip off; but we will all agree that it is her smile that inspires the team to victory. Besides being captain and center, she can change to any position on the team and play each capably. Lizzie leaves us this year and we surely will miss her, especially her jovial good sportsmanship.

Girls' Basketball

The girls had a very successful season, winning 5 out of 8 games. The only teams able to defeat them were Auburn and Garrett, who are considered the strongest teams in Northern Indiana.

Credit must be given to Miss Perkins for the fine showing made by the girls. She had to develop several young players on very short notice to take the place of regulars who withdrew from school. Coach Perkins put one of the scrappiest girls' teams on the floor that ever represented Butler High School.

FAYE HAVERSTOCK

Guard 3-4.

"Dynamite" is a very suitable nickname for Faye. She is able to play both guard and center. She's not afraid to fight and when she sees the ball coming she is right there. Faye's only failing is that she plays so hard she is unable to keep her balance and often strikes the floor, but true to her nickname her opponents aren't left at peace. She is also leaving us this year and we will miss her faithful guarding and "peppy" attitude as Faye can't be beat when it comes to "pep."

HELEN BRYAN

Forward. 1-2

"Bryan" plays the position of forward like a whirlwind. When she receives a pass you can depend upon a basket. Her guards have to know what the word "fight" means to keep up with Helen. She is a good sport, on and off the floor, with a ready smile for everyone. We are expecting great things of you, Helen.

FLORENCE MAGGERT

Guard. 1-2.

"Flo" is what we call a "real fighter." She goes into the game with the determination that her forward "large or small" shall not get a basket, and they all have to work to be able to score. "Flo" has played since she was a Freshman and is now showing signs of improvement each year. We will all have to admit that "Flo's" one failing is a small forward on the boys' team. But we can't blame her can we, eh?

MARGUERITE CARPENTER

Center Side. 2.

"Carp" comes all the way from Hamilton to be on our team. She is a good example of faithfulness and good sportsmanship. She went in either as a guard or as center and played these positions with credit to herself and team. She never complains but does her bit with a smile.

GOLDA LOOMIS

Forward. 1.

"Shorty," this nickname sure fits. Golda is tiny but that doesn't make any difference she is able to get around her guard and make the basket. This is just her first year and we are sure she is going to be some little player when she becomes a Senior. Keep up the good work, Golda.

MARCELLE SMITH

Sub-Center. 1.

"Smittie." It took some time for Smittie to find her real position in basketball. After practicing forward for a long time she finally found her real position as side-center. Here Marcelle did herself and the team credit. Although only a "Freshie" Marcelle has earned a real position on the team.

WAVA ROBINSON

Sub-Guard. 1.

"Wavy" is another "Freshie" who has earned commendation for her readiness to fight and to give her best for the sake of the team. "Wavy" subs for guard and her timely aid has been a great help when the regular guard was disqualified.

ESTHER RIDGE

Sub-Guard. 2.

"Tubby." Esther came out for practice the last semester and made the team as sub-guard. She showed good fighting spirit throughout the games. We are counting on her for a couple more years as a steady player.

Summary of Girls' Basketball

BUTLER WINS

The Butler "Six" Basketball girls journeyed to Harlan October 31 to fight their way to victory. As the Butler girls won over Harlan at both games last season, they felt confident in themselves and decided to carry off the laurels. Both teams went on the floor with the determination to win. At the end of the first half the score stood, 1-0 in favor of Butler. Although the girls were ahead they felt they could not be over-confident so they battled through the second half with the same fighting spirit. The final score was 18-9 in Butler's favor.

ASHLEY LOSES TO BUTLER

Friday, Nov. 7, the Butler Girls' Basket Ball team met the Ashley girls on the Ashley floor and clashed in a hard battle. Last year Ashley won over Butler with a small majority, but this year the Butler squad went on the floor with a determination to win. Ashley started the game off with a field goal and shortly after this Bryan scored for Butler and the fight was on. At the end of the first half the score board read 7-2. The second half the girls kept the same fighting spirit and a number of baskets were made on both sides. With the Butler fans cheering and the players fighting the final score read 20-12 in favor of Butler.

GARRETT WINS

Butler had three weeks, previous to Thanksgiving, with no game scheduled. Garrett challenged us for a game and, as the girls did not want to get out of practice, they accepted. Our girls, with their little experience, were no match for the Garrett "Veterans." Cheerfully the girls fought their best and accepted their defeat with a smile, the final score being 37-12.

AUBURN WINS

The Girls Basket Ball Team were determined to show Auburn that they were real fighters. However, in spite of the fact that they were outclassed, the girls showed good sportsmanship throughout and made Auburn work for their 37-6.

BUTLER WINS

The final game with Harlan was played here on December 12. It was a short game of twenty minutes because of the late arrival of the visiting team. The game was refereed by Otis Fisher of Butler, who showed splendid judgment, fairness, accuracy and consistency in his decisions. The result was a score of 7-2 in favor of Butler.

HAMILTON LOSES TO BUTLER

Another easy walk off, with "Carp" determined to down her home

town and every girl prepared to make her best showing for Butler. The girls had no trouble in doubling the score on Hamilton.

ASHLEY LOSES TO BUTLER

Ashley came to Butler during the Christmas vacation and was determined to get vengeance from the game played in the fall. But the B. B. Girls still had their old "pep" and showed Ashley what they could do once, they could do again. The final score read 18-10 in favor of Butler.

BUTLER GIRLS MEET DEFEAT

Friday night, Feb. 6, the girls basket ball team played their last game of the season at Auburn. The girls went on the floor with a determination to fight to their greatest ability. Being on a strange and larger floor the girls were handicapped. The end of the first half the score was 26-2 in Auburn's favor. With a few minutes rest the second half started and the girls, becoming more accustomed to the floor, were able to score more. The final score stood 46-17 in favor of Auburn.

Waterloo 7; B. H. S. 12

The first game of the season was played April 3 on the home grounds against Waterloo. Several errors on both sides made the score rather high, but in all it was a good game especially for the first one of the season.

Score by innings:

Waterloo	2	0	2	0	3	0	0
Butler	1	0	4	1	4	2	

Metz 4; B. H. S. 2

The second game of the season was a "pitchers' battle" played at Metz April 10. Two timely errors cost Butler this game. It was "air-tight" ball

nearly the whole game, as each pitcher only allowed two hits and not a run was earned.

Score by innings:

Metz	2	1	0	0	0	1	
Butler	0	0	0	0	2	0	0

Garrett 2; B. H. S. 3

The third game was played on the home grounds against Garrett, B. H. S. winning two of the three runs in the last inning after two were down. It was a good game all the way through and was fought hard by both teams until the last ball was thrown.

Score by innings:

Garrett	0	1	1	0	0	0	0
Butler	0	0	0	0	0	1	2

Hamilton 0; B. H. S. 12

Hamilton on the local grounds, furnished the opposition for the fourth game, losing to the local team after defeating them last spring in a close game of 7 to 8.

Score by innings:

Hamilton	0	0	0	0	0	0
Butler	3	0	5	0	4	

* * * * *

As a whole, the boys played mighty fine ball. In every game, the fine fighting spirit was manifested. Several errors were made in the various games, but no more than could be expected by amateurs. Several of our players were compelled to do much extra work besides their school work, which limited their practice considerable.

Last but not least, Dr. Poffenberger and Captain Springer need to be congratulated on the fine way they umpired the games, and the school appreciates their willingness to cooperate and assist.

The Hi-Y Club has been very successful in its work this year. A "Father and Son Banquet," was held last spring at the United Brethren church. Although it was our first attempt in that direction, it was altogether a success.

Six new members have been taken into the club. The four whose pictures do not appear are: Albert Wideman, Jerald Teutsch, Earnest Hiatt and Walter Fisher.

Four of our group journeyed to Peru, attending the "Older Boys Conference," held there.

Plans have been made for having a second "Father and Son Banquet," in the future.

The spirit which has been shown throughout the year has been very commendable. The co-operation of the members has helped to make our club what it is. As the years pass we hope that our club may advance as it has in the past.

The Girl Reserves, as a group of ten, started in the school term with determination to become a large, strong, lively organization. Within three weeks, the membership committee showed their good work by submitting twenty-odd girls for membership. All were taken in, at the annual initiation service, which was held at Mrs. S. G. Stone's, an advisor.

The service committee carried out their program quite successfully, by donating articles to needy and worthy families. If resources for earning money had been greater, the club would have done extensive work along this line. At present the club is earnestly trying to raise sufficient funds to send delegates to the summer conference of Girl Reserves, which will be held in June and July.

Activities

JUNIOR-SENIOR BANQUET

Friday evening, May 16, 1924, the Junior class entertained the Seniors, at a banquet. The affair was held in the gymnasium.

The room was decorated in yellow and black, the Senior class colors. Gold rose-balls, on each side of the room, were made into dainty screens. The table was decorated in black and gold, the food also carrying out the same color scheme.

The Blaker Orchestra furnished music throughout the evening. Various toasts were given by members of the faculty and the members of both classes, Prof. Forney acting as toastmaster. Other guests besides the Seniors were the members of the faculty, and their wives.

BASKET BALL BOYS' BANQUET

At the beginning of the 1924-25 basketball season, Mr. Fleener, athletic director, told the squad that for every game in which they scored fifty points he would give them a chicken supper. As a result four banquets were given, at which everyone had his appetite satisfied to some extent. The first feed was at Mr. Fleenor's early in November; the second at the Christian Church, and the other two at the U. B. Church.

On November 21st, Mr. and Mrs. Lee Noragon delightfully entertained the team. The table decorations were in the school colors, green and gold. A bountiful dinner was served and every one did justice to the food. It was just after a victory over Waterloo and everybody was "a'rarin' to go."

The History of Butler

In 1840, when a few homeseekers began to settle the available government lands in this community, the town now known as Butler was formed. The real birth of Butler dates from 1852 when the L. S. & M. S. railroad was located. Soon after this, the Eel River and Lake Shore railroads began construction.

In the meantime, Charles Norris had moved into the 80 acre Colgrave tract now occupied by Oak and Depot Streets. He started a little store, the first in Norristown, as Butler was then called.

About the same time, Packertown (named after August Packer) sprang up about ½ mile west of Norristown. But with the new railroad as an incentive towards rapid growth, Butler soon became quite a prosperous little town.

Business developed amazingly. A grist mill owned by Mr. Maze was started. A sawmill was erected on the land now occupied by the Butler Company. A stave and heading factory was built on the railroad grounds, where the Milling Company now stands. Where the M. E. Church now stands, a buggy and wagon factory was operated by a man named Plowe. Two good black-smiths, David Blaker and Isaac Daily, had shops about this time.

A tanning factory, owned by Mr. Oberlin and sons, did a splendid business. Near it were three shoe shops, owned by James Revett, Henry Beck, Louis Planson, John Plowe and Mr. Howard. The latter kept the post office in his shop. Isaac Fisher was the first cabinet maker. This comprised the industries of Butler to 1870.

The business section of Butler was on Main street, east of Broadway. A dry goods firm, Canady and Stitz, was in the building now occupied by Underhills. Next door was a dry goods and grocery store, owned by Isherwood, who later built the first brick building, now occupied by Huffman's Variety Store.

West of Broadway, the Sheldon Brothers had a very good drug store. Next door was the Sheldon residence; on the next corner William Shaw owned a residence, and across the street was the Shull property. From here on west, all was a dense forest as far on west as Packertown. The block now occupied by business houses, from Wagoner's Grocery to Geddes' Drug Store, was built up with small frame business rooms. About 1865 the father of L. H. Higley, Emery and Hume Higley, located here with a very nice dry-goods store. This business later passed into the hands of David Fay and Samuel Haverstock and still later to Joseph Rex.

Andrew Steall ran a grocery where the Tyson meat market is now located. In 1858 Simon Stiefel started a miscellaneous shop, which was very beneficial to the entire community.

Elias Strauss came about the same time and engaged chiefly in the

clothing business. However, his most profitable business was the buying and selling of horses.

The first business houses on the east side of Broadway were the Blaker Hotel, Henry Hatch's Store, and a saloon and residence. On the corner of Oak street and Broadway, Alex Trimble owned a grocery. The building still stands and is about seventy-three years old.

In 1852 Norman Harding built a new Hotel, where the Hotel Butler now stands. Next door, Miss Madden ran a millinery store. This pretty well covers the business history of Butler to 1870, with the exceptions of two different brick yards that did extensive business.

The early residence district was chiefly along East Main and North Broadway. Many of the buildings are still standing, but have undergone many alterations.

The educational history of Butler is interesting. The first school, a small log house, stood opposite the present M. E. Church. The teacher was John A. Campbell. As the town grew, a larger building was erected on the lot now owned by Samuel Miller. It is now used as a barn and garage. The town was incorporated in 1867, and soon a large three-story building was erected which served for 50 years. The educational advancement, under Professor Bowersox and Professor McIntosh, had influence over the whole country. The school had a wide reputation for its excellent educational work, and consequently young people preparing to teach, came from all directions. It is no exaggeration to say that some of the best teachers of Northeastern Indiana were prepared for their work in this school. The first instructors were Bowersox, McIntosh, Luke, Kimbell, Creeble, Saunders and others. Soon the old building was outgrown, torn down and replaced by larger buildings. It has been remodeled and added to, until the present very modern building was erected.

The first church was the old M. E. church in the northeastern part of town. Later the new M. E. church, the U. B., the Lutheran, and Christian churches, and the Church of God were erected.

The first doctors were Milligan, Madden, Miller, Sheldon, Hoofingarner, Carpenter, Waterhouse and Fanning.

People identified with the growth of Butler are: E. W. Fosdick, A. J. Mason, Charles Norris, George Egnew, Daniel Tomlinson, William Blair, Jacob Funk, Jason and William Hubbell, Hiram, Theodore and John Madden, Johnathan Hazlett, David and John Blaker, Archillas Blaker, John Zeigler, Hutchinson Boon, John and Lewis Moore, Hambright Reese, James Chambers, James McCurdy, the Oberlin family and many others.

By contrasting and comparing the Butler of today, with its large modern buildings, its busy, efficient factories, its splendid streets and residences, with the Butler of seventy years ago, we come to fully appreciate the great work done by the early settlers. And our gratitude, for the establishing of our little city, is great. The enthusiasm and determination of our ancestors who started our city, has been handed down to the present generation, who are as fully determined to make Butler bigger and better, as the settlers of 1850.

JOKES

Roy T.: "Was it you I kissed on the bob-party last Saturday night?"
Fay H.: "About what time?"

A SURE WAY

Mr. Bormuth: "I wish I could find a way to stop my wife from spending so much on gloves."
Mr. Jeffers: "Buy her a diamond ring."

MUSTACHIOS ARE RETURNING

It's a wonderful thing for the women,
The popular permanent wave,
Now it's up to some struggling inventor
To get out a permanent shave.

SAFETY OR SORROW

Charles: "Do you want to marry a one-eyed man?"
Pauline: "No, why?"
Charles: "Then let me carry your umbrella."

SHE'S GETTING OLD

Miss Dickenson: "What are you going to do on your birthday, Esther?"
Miss Perkins: "Oh, I don't know. Take a year off, I suppose."

DID THEY COMPARE NOTES?

Blake had been looking over the Christmas cards on the counter for some time when the saleswoman suggested: "Here's a lovely sentiment: 'To the Only Girl I Ever Loved.' "

"That's fine," he said, brightening. "I'll take five—no, six of those, please."

Photography is the art of taking a likeness and changing it into a satisfactory picture.

Live a fast life, die young, and have a good-looking corpse.

Al: "Last night I dreamed I was married to the most beautiful girl in the world."
Lillian: "Oh, Al! Were we happy?"

"So you don't believe Santa Claus drives his reindeers over the snow?"
"No, sir."
"You're from Missouri, eh?"
"No, sir; Florida."

"I just saw a horse with a wooden leg."
"Where?"
"On the merry-go-round."

Jane: "Marriage is a great institution."
Janet: "So is a penitentiary."

Little Girl: "Mother, where do they keep the cross-eyed bear in Sunday school?"
Mother: "What cross-eyed bear, dear?"
Little Girl: "Oh, the 'Holly Cross I'd Bear,' they sing about all the time."

Edwin K.: "How much do you weigh?"
Harriett F.: "120."
Edwin K.: "With or without your complexion?"

She: "Why do they always cheer when a fellow gets hurt?"
He: "So the ladies won't hear what he says."

Ranky: "What are kisses good for anyway?"
Florence M.: "Just their face value."

"Bruce, who were the Four Horsemen?"
"Bill Sheridan, Buffalo Bill, Will Rogers, and Barney Google."

Ruth N.: "Do kisses really contain germs?"
Virginia S.: "Well, you can catch a husband that way."

"Why do so many women rest their chins on their hands when they are trying to think?"
"To hold their mouths shut so that they won't disturb themselves."

ON ITS ROUND

"Did your friends admire your ring?" inquired Albert, three days after he had presentd it.
"They did more than that," was the cold reply. "Two of them recognized it."

Wise Girl: "On my trip to Europe last summer we ran into a fog."
"Dumb Bell: "Were very many people hurt?"

Mickey: "An' dis guy lays out twenty men in one week!"
Ma: "My, some fighter!"
Mickey: "Naw; some undertaker."

Soph.: "There's a town in Massachusetts named after you."
Proud Fresh.: "Yes? What's its name?"
Soph.: "Marblehead."

Keepy: "What do you think of the community drive?"
Marguerite C.: "No, let's go out in the country where it's dark."

As far as we can see the only way to abolish the Ku Klux Klan is to corner the sheet market.

Raymond S.: "Does horseback riding require any particular application?"
Chester K.: "No, arnica or Sloan's linement, one's as good as the other."

HURRAH FOR OUR TOWN!

"Will you have a local anaesthetic?"
"Sure. I believe in boosting home industries."

Dad: "Why don't you settle down? Why don't you get married? What's the matter with Miss Taylor?"
Son: "Her past, father."
Dad: "What's wrong with her past?"
Son: "Too much of it."

John C.: "Why the blues, Spud?"
Howard D.: "Aw, I just got the dickens for something I didn't do."
John C.: "What?"
Howard D.: "My work."

Mr. Collins (in Chemistry lab.): "What is that I smell?"
Wade N.: "That is fertilizer."
Collins: "For the lands sakes."
Wade: "Yes, sir."

NOTICE

A pole cat is a wild cat of the plains, but not a plain cat. It is best to handle a pole cat with a pole, and the longer the pole the better off you are.

Miss Dickinson: "Now, I hope none of you will ever shoot the little birds?"
Howard Dean: "How about craps?"
Miss Dickinson: "Oh, don't kill them either, they're so pretty."

Son (after being told to go to bed): "This thing is getting contagious."
Father: "What do you mean?"
Son: "If I don't move on, I'll catch it."

1st Boy: "Why is our annual like a girl?"
2nd Boy: "Because every fellow should have one of his own and not borrow some one else's.

Bum: "You sure have a whopper of a cold. Where did you git it?"
2nd Bum: "Aw, I slept in a field the other night and some poor crumb left the gate open."

Clyde R.: "I wonder if Mrs. Wright meant anything by it?"
Roy T.: "By what?"
Clyde: "She advertised a picture on 'Fools' and when I bought a ticket it was marked 'Admit One.'"

A SLOGAN

Bite off more than you can chew,
Then chew it.
Plan for more than you can do,
Then do it.
Hitch your wagon to a star,
Keep your seat and there you are.

THE EFFECT OF MOONLIGHT

Ralph walked four miles over the mountain to call on the lady of his dreams. For a long time they sat in silence on a bench by the side of her log-cabin home; but soon the moon, as moons do, had its effect, and Ralph sidled close to her and picked up her hand.

"Mary," he began, "y'know I got a good clearin' over thar an' a team and wagon an' some hawgs an' cows, an' I cal'late on buildin' a house this fall an'—"

Here he was interrupted by Mary's mother, who had awakened.
"Mary!" she called in a loud voice. "Is that young man thar yit "
Back came the answer, "No, Ma, but he's gittin' thar."

IT IS TO SMILE

"B-bring me a p-plate of b-beef," said a diner who was horribly conscious of his stammering tongue.

"A p-plate of b-beef, sir? Yes, sir," replied the waiter.

The man, thinking that the waiter was mocking him, grabbed the man by the throat, but another patron intervened hurriedly.

"Don't hit him. He ain't m-m-mocking you," he said. "He s-stutters as b-b-bad as I did b-b-before I was c-c-cured."

Miss Perkins: "Have you taken a shower bath "
"Elizabeth B.: "No, is there one missing?"

WELL, WHY NOT?

A young man who had not been married very long, remarked at the dinner table the other day, "My dear, I wish you could make the bread that my mother used to make."

The bride smiled and answered in a voice that did not tremble.

"Well, dear, I wish you could make the dough that father used to make."

Reading cable from sister in London: "Twins arrived today. More by mail."

"Your husband, madam, has just been struck by lightning."
"Merciful Heavens."

Clayton L.: "Ouch! I just bumped my crazybone."
Lewis T.: "Well comb your hair straight and the bump wont show."

Miss Perkins: "What is the greatest change that takes place when water changes into ice?"

Harriett F.: "Why - er - ah - in the price I guess."

Prof.: "Did you ever take Trigonometry?"
John W.: "No, pneumonia left me in this condition."

DEDICATED TO FLO AND WALT

When first he went to see her
He showed a timid heart;
And when the lights were low
They sat this far apart.

But as their love grew fonder
They learned to hug and kiss;
They knocked out all the spaces
Andsatupcloselikethis.

Butcher: "Snap out of it, John. Break the bones in Mr. Jones' chops, and wrap up Mr. Smith's ribs."

John (very busy): "All right, sir, just as soon as I've sawed off Mrs. Murphy's leg."

Miss Perkins: "Who can tell; where is the home of the swallow?"
Anson S.: "I kin, it's the stummick."
